

Join our Canada Summer Jobs Team at SimcoeDHumane!

Simcoe and District Humane Society offers very limited opportunities for employment, when able to receive government funding for employees.

Summer Jobs are offered through funding by the Canadian Government. Must meet The Canada Summer Jobs criteria.

Our volunteer team is very small, and we are looking for individuals who can follow policies, procedures and fit into our shelter environment as seamlessly as possible, all while helping the animals.

We are now accepting applications for Summer 2022.

Starting date will be soon and is a valuable practical Animal Care experience both hands on with the animals, learning animal related databases by keeping it up to date, fundraising for Charitable purposes and more.

We are a smaller shelter, but we look after many animals and many different species each year.

This is a highly competitive program, and we choose the people who we believe will fit the best. We will expect you to work for 35 hours a week for a minimum of 8 weeks.

What you need to know before you apply...

Vaccines:

Covid, Tetanus vaccinations are mandatory.
Proof of vaccinations is required!

Working Dates and Times:

Workdays and hours include weekends, evenings, and some overnight shifts. You may be called in on emergency situations.

Successful Applicants will be expected to work all shifts, for a minimum of 8 weeks and although it is summer, you will be expected to work those 8 weeks without holidays.

Allergies:

Every Position deals directly with the animals. If you have allergies to any animals, please make sure they are controlled before applying.
